Long Term Care

Aug. 11 Madeleine Campeau

Aug. 15 Mary Haley

Aug. 28- Erna Andersen

Aug 31. Dolly Leduc

Aug. 31- Vincent Stang

Notes from the Administrator.....

Summer is now upon us and given the numerous leisurely distractions and holiday time, the Newsletter will be suspended until September following the current edition.

Stephanie Kinnear
Administrator

Summer does provide an opportunity for infrequent visitors from farther away to come to the Home and we look forward to these visits. Our Screening practice will continue throughout the summer and the front door will remain locked with a doorbell; however, we are welcoming those who are feeling well all throughout the summer as a welcome distraction. We wish any staff taking holidays a fun and relaxing time this summer. The prediction is that we are in for a hot and humid one, with some storm prediction unfortunately.

As well, with the advent of nice weather, comes warmer temperatures. The resident rooms remain as before, despite the AC in the halls and rooms, so if your resident needs a fan, please keep in mind that you can still bring one in.

Canada Day will be celebrated at the Home, so kindly check the Activity Calendar for further details.

I would like to wish everyone a Happy Canada Day and enjoy a stimulating and safe summer.

Stephanie Kinnear, Administrator

In Memoriam

Omer Terriah- June 23, 1939- June 8, 2022

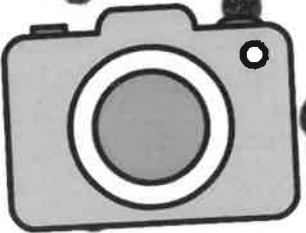

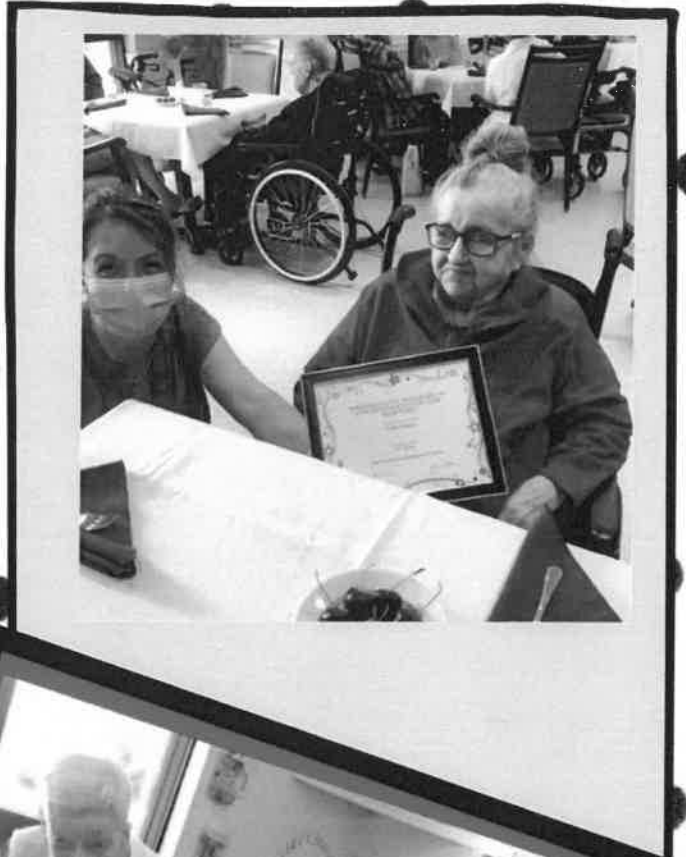

Marilyn Cooke-December 11, 1946- June 21, 2022

Cecil MacKinnon -June 2, 1937- June 26, 2022

Memorial Donations to Sandfield Place Residents Council are accepted and appreciated. Memorial cards are available in the Business and activity office.

Around Sandfield

Celebrating our residents who are over 95 and our June Birthday!

Flashback....

Hello and welcome to summer!
What a wonderful Seniors' Month we had in June!
We had Ed and Marie, Lucien and Jody Marsolais in to entertain us.

Ann Evans
Activity and Volunteer Coordinator

We had a few excursions starting with our trip to Central Public School to meet our pen pals. Then on to Rock'n Ronda's for a 50's diner experience and a delicious lunch! We also had some fun things to celebrate like our resident puppy Leo's 1st birthday, Father's Day Pub and Grub, and a Summer Solstice party to welcome summer. We had a display to celebrate indigenous culture on June 21st. Then we rounded out the month by celebrating our residents who are over 95 by enjoying some fresh strawberries from the Avonmore Berry Farm.

The next two months will be just as fun with trips to Morrisburg, outings for ice cream, and going for a ride on the seniors on wheels bike tour in Lamoureux Park. Enjoy your summer everyone and see you in September!

Why did the teacher jump into the pool?
Because they wanted to test the water!

What did the pig say on a hot summer day?

I'm bacon!

How do teddy bears keep their den cool in Summer?

They use bear conditioning!

To our new Residents:

Happy to have you join our Sandfield Place Family!

Puppy Birthday Party
Drumming
and
Nations Indigenous Peoples display

From the Desk of the DOC.....

Happy Summer Everyone!

I hope everyone has been enjoying the nice weather!

It is a requirement for us to review the Abuse and Complaint Policy yearly.

I would like to address what our policy says regarding abuse:

Sandfield Place is committed to providing the highest level of quality care, which encompasses the dignity, respect and rights of the resident.

This home will orientate its entire staff on the Resident Bill of Rights, and the Zero Tolerance of Abuse and Neglect Policy. We will take appropriate measures to protect our residents from any form of abuse.

We will not tolerate abuse or neglect of the very people who are charged with helping. Nor will we tolerate abusive behaviour towards visitors, families, or staff. Abusive behaviour will not be tolerated by anyone, and actions will be taken if abuse is found to have occurred. If you have any questions about the abuse policy or any of our policies here at Sandfield Place, feel free to contact me.

**Wishing everyone a safe and happy summer!
Samantha Below, RN, BScN,**

Samantha Below
D.O.C

This summer we will be trying to buy as many locally grown vegetables as possible.

Some of the benefits of buying local include:

Locally harvested produce is picked at their peak of ripeness

Many times produce at local markets has been picked within 24 hours of your purchase.

• **Local food has more nutrients.**

Local food has a shorter time between harvest and your table, and it is less likely that the nutrient value has decreased.

• **Local food supports the local economy.**

The money that is spent with local farmers and growers all stays close to home and is reinvested with businesses and services in your community.

• **Local food benefits the environment.**

By purchasing locally grown foods you help maintain farmland and green and/or open space in your community.
~Michigan State University~

Kelly Bailey
Food Service Supervisor

Our Residents

are so happy to see the warmth of July arriving, they have been active more than usual and getting outside for many walks and strolls. We often hear them all chatting with each other that they are excited to be with family and friends for more family gatherings, BBQs and picnics
LITTLE THINGS and THEIR HUGE IMPACTS
"Too often we underestimate the power of a touch,
a smile, the simplicity of a kind word,
a listening ear,
an honest accomplishment, or just the smallest act of caring
all of which have the potential
to turn life around"

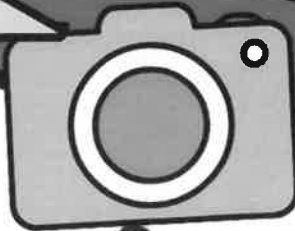

Angie Sloan RPN
Retirement Supervisor

CELEBRATING SENIORS MONTH!

Clockwise: Carol Ann and Ruby Pen Pals
Putting in the garden,
Jack and Grace Forsyth 65th Anniversary,
Roger Bougie at Fathers day Pub and Grub and
Residents enjoying Rock'n Ronda's Diner
