Happy Spring to everyone. I hope everyone had a nice Easter. The weather had to be the nicest we have seen in quite sometime. Now onto the month of May so we can see the effects of the April snow/showers on our garden blooms. My daffodils actually poked their heads up while we cleaned up from that dreaded ice storm several weeks ago. They truly are little warriors aren't they?

I want to take this opportunity to mention that during the month of May we recognize the tremendous effort that our nurses make in delivering quality care. They play such a vital role in the well being of our residents. This year, Nursing Week will be marked by recognizing ALL of our staff and not just the Registered staff. ALL aspects of care services have been instrumental throughout our Pandemic, so we will be recognizing those care givers this month, and all they do. Hop onto our Facebook page and catch a glimpse of staff profiles during the month.

May also pays tribute to the Mother's in our lives, even if they may not be your own! I want to wish every mother here at Sandfield Place a Happy Mother's Day and say thank you to all that you do for your families.

You will notice a memo on our window to the main Living Room with the title "Public Consultation". It's for the proposal of our soon-to-be new LTC home on Tollgate Road. Have a read and if you have questions, I would be happy to answer them.

Plans and designs are moving along quite quickly. We have secured a builder and once a more concrete timeline is secured, we can release those details as well.

Again, Happy Spring and I hope our flowers continue to bloom!

Hello, hope all is well with everyone, and that you are all excited to finally have some nice weather. With that being said, the weather will now allow us to have some barbeques, so hopefully by the end of this month we will have a couple under our belts. May will mark the beginning of our Spring /Summer menu starting on Monday May 8th.

FSS

As mentioned, this menu will include some new items such as vegetarian chili, turkey sausage, lasagna, pizza, pork ribs, crab salad, veggie burger, beef stroganoff, open faced hot turkey sandwich, and we have added asparagus as a new vegetable to our line up. Once the season begins, we will have fresh corn on the cob, fresh tomatoes and fresh yellow beans.

On Wednesday May 10th, we will be celebrating Mother's Day with the residents. That afternoon we will be pampering them with tea, and specialty desserts.

In June we will have another Country themed meal, the tentative scheduled date for that will be Monday June 26th, and we will be striving for choices to fit a Ukrainian meal we will have more information to come on this next month.

Happy Spring everyone!

Happy Mother's Day

Hi everyone!

Happy Spring!

A few updates for everyone:

1) We now have a Registered Massage Therapist, Kaitlyn St. Martin from Cotton Mill Rehab coming in to Sandfield Place to see the residents. She is available by appointment. She will be in on May 16th. It is 45\$ for 30 minutes. The residents really seem to enjoy these massages

2) Golden Care Dental will be available again. The residents will be billed based on services they need/ receive from the dentist.

3) We now have a denturist from Trusmile Denture Clinic. Their costs are also based on services the residents receive.

4) Finally we have an optometry clinic coming in – date has yet to be confirmed. They would come in on a yearly basis. Eye exams are covered for residents who are age 65 or older. If glasses are needed it will be an additional cost. These visits may be covered through your insurance company. If you are interested in any of these services, feel free to give me a call or send me an e-mail. We will be updating families as we receive more information.

Update on visitations:

As many of you may know, the Ministry of Health has determined that it is safe for all family members and friends, regardless of vaccination status, to come in to visit their loved ones. We no longer have a screener, the front doors are open, you no longer need to ring the door bell. Masking rules are still in place so please wash your hands and take a new mask when you enter the building. They are available at the front door. If you are visiting in their room you may remove your mask. As always we ask if you have any symptoms, please delay your visit until you are feeling better.

Wishing everyone a nice warm May!

Good bye April Hello May!

April was a long month for long term care residents as they sat through an outbreak but we have made it out and they are ready for the nice weather. We still kept the fun going with drink carts and room to room Bingo's and did manage to take part in the activities at the beginning and end of the month!

The retirement side didn't miss a beat and was able to take in all the activities! We had three bands in; the Ultra Classics, the Sentimental Duo and Lucien who also lead our birthday party.

Retirement had two outings; a lunch out at Katrina's Diner in Monkland and a scenic drive and treat stop to Tim Horton's. Next month we are looking forward to all the nice weather and being outside in the sun!

Happy May everyone!

OUT FOR LUNCH

We had a celebration of life for our friend Laurier Laurin. His family treated us to Laurier's favourite meal of North End pizza and poutine with drinks and beautiful desserts !! It was a nice way to celebrate his life. The staff and residents are very grateful!!
