RET. Picnic in Morrisburg

Where did the time go?

Here it is September and I'm just now ready for June!

Despite the heatwaves that were sporadic, it was a beautiful summer this year.

I have noticed the leaves changing for the past week however, and even though

Mother Nature may be right on schedule, I couldn't help but feel that we were

being forced to accept the fact that Summer is indeed ending. The saving grace

is that Mother Nature puts on such a spectacular show of color for the next while,

you can only smile. I wonder if we really do get 101 days of Summer. Our newsletter resumes now as well, after a brief summer rest.

With the changing season comes our dreaded cooler weather and temperatures. Please keep this in mind when selecting and tidying the closets of your loved ones. Fans and lighter items of clothing can be replaced with warmer layers, especially at night. And of course, the dreaded flu bugs rear their ugly heads too. Hand washing and hand sanitizers are in strategic places of our Home, so please remember to use them when entering and exiting our Home. If you are not feeling well, please refrain from visiting until such time that you are. Although we love and enjoy all visits, our residents are susceptible to illnesses. So, I thank you in advance for taking the time to care. COVID is still prevalent, but we should keep in mind that Influenza too, is always lurking.

Again, this year, Sandfield will be doing annual flu vaccinations, plus the Booster for COVID. We will likely begin offering the flu vaccine to our residents and staff mid-October. The COVID booster is planned for Sept 19. Please keep an eye on your emails for any updates that we will be sending through our Cliniconex system, so you can plan accordingly.

New for staff this year, and any family who may be interested, is a Shoes for Crews program. Staff can purchase new shoes through a payment program in accordance with our payroll system. If you want more information, please see the office for details.

We also had our first government Inspection this August. It went very well. As you have heard, the regulations have been updated as a result of the Pandemic and our Fixing LTC Homes Act is now in full effect. Although many will not see the direct changes, processes and policies, have been updated to reflect the ongoing commitment to quality care that all Ontarians are expected to give and receive. The report will be available at the front door to read but please leave the Copy as you find it.

Without further adieu, I will say have a wonderful September. Sit back and enjoy the Fall foliage and the planning from the Activity department. We have many new faces around the hallways as well, that always adds a pleasurable element.

HAPPY SEPTEMBER EVERYONE!!

I WOULD JUST LIKE TO TAKE A FEW MINUTES TO REMIND

EVERYONE ABOUT HAND HYGENE AND WHY IT IS SO IMPORTANT!

WASHING HANDS PROPERLY WITH WARM, RUNNING WATER AND SOAP IS THE MOST EFFECTIVE WAY TO KILL THE CORONAVIRUS AND STOP ITS SPREAD. THIS IS WHY

IT IS VITAL THAT ALL STAFF IN A FOOD BUSINESS WASH THEIR HANDS FREQUENTLY USING THE CORRECT HAND WASHING METHOD. THIS IS NOT ONLY IMPORTANT FOR PREVENTING COVID-19 INFECTIONS, BUT IT IS ALSO A FOOD SAFETY REQUIREMENT. I AM HAPPY TO SAY WE HAVE VERY STICT POLICIES ABOUT WASHING OUR HANDS AND DO FREQUANT AUDITS TO MAKE SURE STAFF ARE CLEANING THIER HANDS PROPERLY.

THANKS AGAIN EVERYONE FOR DOING YOUR PART!

Flashback.....

IT HAS BEEN A VERY FULL SUMMER! BEING ABLE TO GO OUT AND ABOUT AGAIN HAS MADE IT VERY ENJOYABLE. OUR DESTINATIONS INCLUDED THE AVONMORE BERRY FARM TO SAMPLE THE DELICIOUS BERRIES, LAMOUREUX PARK TO TAKE A RIDE ON THE SENIORS ON WHEELS TRISHAW AND MORRISBURG PARK FOR A PICNIC. WE TRIED OUT MARY BROWN'S CHICKEN AND TOOK A LOOK AROUND AT THE LOST VILLAGES MUSEUM. RETIREMENT RESIDENTS WENT FOR ICE CREAM AT POPPY'S PIT STOP. LTC RESIDENTS WENT TO TIM HORTONS FOR SOME DELICIOUS COFFEE. WE CELEBRATED HAWAIIAN DAY IN JULY WITH FUN GAMES, PINEAPPLE AND HAM KABOBS. IN AUGUST WE HAD WESTERN DAY WITH BARBEQUED HAMBURGERS, HOTDOGS AND SOME FRESH LOCAL CORN. THANKS TO F.S.S KELLY AND HER CREW FOR THE DELICIOUS FOOD .

WE WERE NOT SHORT ON MUSIC AS WE HAD THE SENTIMENTAL DUO, MOE LEMIEUX AND STEPHEN, LUCIEN LALONDE, AND THE ROADHOUSE DANCERS IN TO ENTERTAIN US.

THANKS TO ALL THE ACTIVITY STAFF FOR MAKING ALL OF THIS POSSIBLE AND TO ALL THE STAFF AND RESIDENTS WHO PARTICIPATED!

NEXT MONTH WE LOOK FORWARD TO A VISIT FROM BEE MEADOW FARM, GOING "BACK TO SCHOOL", A TRIP TO THE POWER DAM AND LUNCH OUTINGS.

RESIDENTS COUNCIL WEEK IS FROM SEPTEMBER 12-18. WE WILL HAVE SOME EXCIETING MATERIAL TO SHARE WITH YOU!
HAPPY SEPTEMBER EVERYONE!

From the Desk of the DOC.....

Hi Everyone!

I hope everyone was able to enjoy the nice weather this summer!

I have had some questions from family members regarding pet visits; if you wish to bring your pet in to visit a specific resident you are free to do so as long as the following rules are adhered to:

- The pet needs to be on a leash.
- The pet needs to be up to date with their shots/vaccinations.
- Pets are not allowed in any of the dining rooms, medication room or kitchen areas.

Owners bringing their pets in are responsible for bagging/ cleaning up pet litter and disposing of it in proper receptacles. ---

- They are not to enter other resident's rooms unless invited by the resident.

If you wish to bring your pet in to volunteer and visit with other residents please see Ann in the activity department to go over the policy and to sign up as a volunteer. Please note some residents may be allergic, or uncomfortable with the animals, we would ask you to be respectful of this and keep your pet at a safe distance from them.

Wishing everyone a happy September!
